Dear Friends

We are organizing the 4th International Congress of the Society for Ethnopharmacology in Bardoli, Surat, India during February 23-25, 2017, under the joint auspices of Uka Tarsadia University (UTU), Bardoli, Surat, Gujarat, India and the Society for Ethnopharmacology, India (SFE-India). On behalf of the organizing committee of the Congress; the UTU and the SFE-India, it is our pleasure to invite you to participate in this congress. The theme of the 4th International Congress of Society for Ethnopharmacology, India, is “*Healthcare in 21st century: Perspectives of Ethnopharmacology & Medicinal Plant Research.*”

Please Join the event and explore the opportunities

Society for Ethnopharmacology (SFE - India):

“Globalizing local knowledge and localizing global technologies”

The Society for Ethnopharmacology, India is constituted by the eminent academicians, researchers and industrialists with the vision of providing an environment for knowledge sharing among researchers, healthcare-practitioners and decision-makers interested in promotion of Ethnopharmacology and medicinal plants. The Society is registered under the West Bengal Society Registration act 1961 and is affiliated to the International Society for Ethnopharmacology, UK. After the grand success of the 12th International Congress of International Society for Ethnopharmacology (ISE) organized by the School of Natural Product Studies, Jadavpur University, Kolkata during February 2012, the Society for Ethnopharmacology, India (SFE-India) was constituted in August, 2013. SFE-India is extremely grateful to Late Dr. APJ Abdul Kalam, former President of India, for his inspiration and support during its creation. The mission of the society is promotion and development of traditional medicine and medicinal plants through dissemination of

knowledge and development of collaboration and cooperation in this area. The society organizes conferences, seminars, symposiums, workshops etc in different parts of India for discussion and sharing knowledge on different issues such as cultivation, production, quality evaluation, safety, clinical studies, biological screening and several other issues of natural product research. The Society helps to inculcate the modern global knowledge on herbs, herbal remedies, herbal quality assurance, herbal trade and commerce, and herbal drug development so that the person with local knowledge can be upgraded. It forms a bridge between the academic and industry to gather scientific and teaching professional in Ethnopharmacology and also professional of other areas interested in developing cost effective natural remedies for healthcare of the society. The society also gives various awards to the deserving scientists jointly with other organizations.

For further details please visit www.ethnopharmacology.in

The International Society for Ethnopharmacology UK (ISE) is an International scientific organization of researchers dedicated to the interdisciplinary study and strengthens the link between the social and the natural sciences. The ISE is committed to the preservation and conservation of such practices for future generations. The objective of the ISE is to promote Ethnopharmacology as a scientific field of research and also offers multiple ways to exchange information between scientists and young researchers. The Journal of Ethnopharmacology is dedicated to the exchange of information and understanding about people's use of plants, fungi, animals, microorganisms and minerals and their biological and pharmacological effects based on the principles established through International convention.

For details please visit the web site: www.ethnopharmacology.org

Uka Tarsadia University (UTU) was established in 2011 by the Bardoli Pradesh Kelavani Mandal (BPKM) with the help of generous donation from Shri B U Patel, USA with an effort towards meeting the growing demand for quality education. BPKM needs no introduction about its significant contribution in providing collegiate education over the last 60 years in South Gujarat, India. Located in the Southern region of the state of Gujarat in India, the entire campus is spread across 100 acres of land with a total built up area of more than 1.5 lakh square meters. The University provides educational opportunities to more than 8000 students. More than 450

faculty members of the University represent an eclectic mix of professional and academic experience at national and international level.

C.G. Bhakta Institute of Biotechnology (CGBIBT) was established in the year 2005 for initiating exclusive education programme in Biotechnology and Applied Sciences. It offers 5 years integrated programs, postgraduate programs and doctoral research in Biotechnology & Microbiology. Since its establishment, CGBIBT has been striving to emerge as a centre of excellence imparting career-based knowledge to students to realize their professional ambition. In addition, CGBIBT has also taken up a mission to support the local farming community to grow profitable crops by supplying quality planting materials to them. For this purpose a sophisticated Plant Tissue Culture (PTC) lab and climate controlled greenhouse have been established.

Maliba Pharmacy College (MPC) was established on 1st Oct 2000 with the generosity of Shri N. G Patel, a visionary and a legend. The college is approved by AICTE, Pharmacy Council of India (PCI), New Delhi and Directorate of Technical Education, Govt. of Gujarat. The B. Pharmacy program is accredited by National Board of Accreditation (NBA). The institute has state-of-the-art infrastructure and instrumentation facilities and provides a serene atmosphere for academic excellence. It offers B.Pharm, M.Pharm and doctoral research in Pharmacy. The college houses voluminous library, classrooms with multimedia facilities, well equipped laboratories and CPCSEA approved animal house.

Theme of the Congress

The 4th International Congress of Society for Ethnopharmacology will focus on recent advances in Ethnopharmacology and related aspects. The program will include keynote address, plenary lectures, oral and poster presentation in different areas:

- Dissemination of knowledge on education and research for promotion of medicinal plant and Ethnopharmacology
- Evidence based documentation and evaluation of safety, efficacy and quality of medicinal plant products in Indian systems of medicine
- Globalization of traditional medicine
- Scientific documentation and validation of traditional knowledge
- Ethnopharmacology in drug discovery and development- global scenario

- Quality control and standardization of herbal medicine
- Phytochemical, pharmacological and microbiological screening of medicinal plants
- Bioprospecting of natural products
- Integrative approach in healthcare – Role of medicinal plants
- Plant breeding, Genetics & Biotechnology
- Conservation & propagation of rare, endangered & threatened medicinal plants

Registration Fee:

Category	Delegates	
	Indian (INR)	Foreign [USD]
Academia/Scientists (Member SFE-India & ISE)	2000.00	150.00
Academia/Scientists (Non member)	3000.00	200.00
Students/Research Scholars (Member of SFE-India & ISE)	1500.00	100.00
Students/Research Scholars (Non member)	2250.00	125.00
Industry (Member SFE-India & ISE)	4000.00	175.00
Industry (Non member)	5000.00	250.00
Spot registration for student (Member SFE-India & ISE)	2000.00	125.00
Spot registration for academia (Member SFE- India & ISE)	3000.00	175.00
Spot registration for industry (Member SFE-India & ISE)	5000.00	200.00
Spot registration for student (Non member)	2750.00	150.00
Spot registration for academia (Non member)	4000.00	225.00
Spot registration for industry (Non member)	5000.00	275.00
Single Day Registration	1500.00	100.00
Accompanying Person	1000.00/day	25.00/day

Important dates

Last date of Registration and Abstract Submission: **December 31, 2016**

Note: For details regarding travel, accommodation and other relevant information will contact the Organizing Secretary

Submission of abstract

Abstracts are invited from the scientific community for oral and poster presentation. Abstract should be prepared using Times New Roman, 12 font with double line spacing and not exceeding 300 words. Underline the name of the presenting author. Send your abstract(s) to **sfec2017surat@utu.ac.in**. All accepted abstracts will appear in conference proceedings. Peer reviewed papers will be published in the special issue of UTU Journal (**Journal of Pharmacy and Applied Sciences**).

Pre-congress workshop

A pre-congress workshop is organized focusing on various themes:

- Ethnomedicine, Ethnopharmacology, Nutraceuticals and Traditional Medicine
- *In vitro* assay Procedures Techniques in Cell Culture
- Tools and Techniques in Phytochemical Analysis
- Quality Research Initiative.

Bank transfer details

Account name: UKA TARSADIA UNIVERSITY, Corporation Bank, Branch Name/code: Bardoli/464, Account Number: 046401601000111, IFSC/RTGS Code: CORP0000464, MICR Code: 394017051, Swift Code: CORPINBB185 (For overseas candidate remit only US Dollars).

Bank drafts should be drawn from any nationalized bank in favor of "UKA TARSADIA UNIVERSITY", Payable at Bardoli.

Exhibition

On the sideline of the conference an exhibition would be organized to give opportunity to the private companies/scientific institutions to display their products/work. The exhibitors can also have one-to-one discussion with prospective business partners/collaborating agencies/ individuals.

Accommodation and local transport

Accommodation will be arranged in the hotels on request. The rooms will be allocated as per your requirements and according to the availability. Hotel charges have to be borne by the participants. For students hostel accommodation can be arranged as per availability with nominal charges. The transportation will be arranged for participants to the venue.

How to reach?

UTU is well connected by rail, road and air.

The nearest convenient connection point is Surat.

VISA

VISA is required for all international delegates. You are requested to visit the nearest Indian embassy or high commission or their website for further details. Invitation letter will be provided from organizing chairman upon their request.

Nearby Spiritual & Tourist Places

Somnath, Dwaraka, Sankri, Shiridi, Saputara, Dang, Vagai, Daman, Kutch, Mahabaleshwar and many more.
